Josh,

Just so you have a little more context behind the discussion. Yesterday, Ricardo asked me to keep an eye out for an email from Sandra O'Neill (see attachment 1). This morning I received an email from Sandra requesting information about when the agency was going to publish the FR notice, which I replied to. It appears that this information was forwarded to the Washington State Department of Agriculture (AGR), someone at Purdue, and AAPCO (see below). Shortly thereafter, AGR asked how long the extension period would be for, and I replied that the extension was for 30-days.

Please let me know if you have any other questions,

Matt
